

STATEMENT

I, **ONSINO A. MATO**, married, 44 years old, a subanon by tribe, presently a Secretary General of the **SIOCON SUBANON ASSOCIATION INC. (SSAI)** and a residence of Canatuan, Tabayo, Siocon, Zamboanga del Norte.

That, last June 11, 2003, around 10:30 PM, while we are traveling from Canatuan, Tabayo, Siocon, Zamboanga del Norte going to Zamboanga City to receive our CADT, that was awarded by the President Gloria Macapagal Arroyo, upon reaching the TVI check point located at Malusok, Candiz, Siocon, Zamboanga del Norte, Merham Abduhalim, a military belong to the 44th IB, stopped us and said. "You go back to the place where you come from! I will not allow you to pass here!" However, I replied and said. "This area is our CADT, right now we are going to Zamboanga City to receive our CADT." He added that, "on the 14th day of this month if you fail to come back here to talk to me and drop the case filed against me, I will surely break your head including the heads of your family and I will also demolish your house!" I try to let him understand that I do not have any knowledge about the case filed against him and what he is saying but he refused to listen to my supplications and the more he became furious.

Made this 17th day of June in the year of the Lord 2003.
